

## **Catch the Early Bird rates for Glasgow by 30th June**

As a member of one of EABCT's CBT associations you are automatically a member of the European Association for Behavioural and Cognitive Therapies, and we would love to see you in Glasgow this September, as we host the 55th EABCT Annual Congress. If you are not a member you can still join and if you cannot travel to Glasgow there is the opportunity to join the Congress online.

Held at the Scottish Exhibition Centre from 3-6 September, the EABCT Congress will welcome delegates and speakers from across Europe and the rest of the world, with the draft programme already featuring presenters from more than 50 countries. It really is an opportunity to learn and take part in a genuine Europe-wide event, with all that Scotland's largest city has to offer.

Registrations are open until the congress begins, but the Early Bird prices are only available until 30 June. Find out more about what to expect at the link below, and you can also download the latest EABCT Congress newsletter.
